

Lent, Holy Week & Easter

Young People's Lent Course

This is a very special time in the Church's year where we think about, and reflect on, the time Jesus spent in the Wilderness and the trials and difficulties he experienced.

We have specifically designed three special sessions to help young people think about, and explore Lent, Holy Week and Easter. These are ideal sessions for those who have been Confirmed or children aged between 10-16 years who wish to explore the Christian faith. Each session will consist of a short talk with the opportunity for discussion and group work and reflection and prayer activities.

The dates for the Young People's Lent Course will be:

Monday March 1st, Monday March 15th, and Monday April 5th.

The sessions will start at 7pm in Church and finish at 8pm.

If you would like any further information, please contact Lisa on 01253 721588.

I look forward to seeing you then,

Lisa
